

Hoh

Get a load of this guy

What is it?

I'm pretty sure our mystery roommate is not a spy now.

But just to be sure,  
I'll exploit the bugs  
in his human hardware.

Hi, I like your face  
And your hair it's very red  
Red is my favourite colour I like your face and your hair The hair on  
your face looks good  
I mean the hair bangs covering your face looks good, not that you have  
bangs at first  
u sure know how to make a girl blush owww

This isn't even my final form!

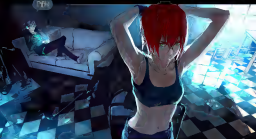

And you sure know how to make my stack overflow.

Not that I'm implying you're an anomaly or anything.  
Oh but you're still special.

But not *bad* special. You're *good* special.

TFH

because it's so sweet :3 and being ill  
how bout i give you my public key so you can tell me i'm  
more about myself, not hex offender :D

Anything, for you I'll always be a 100 OK. Because

```
while(true);  
{  
  love(you);  
}
```

lololol :3 me who know the programming language  
of love"

and red is my fav colour :333333"  
my fav food is bacon and I enjoy long walks in my  
raincoat :3

Wow! Some Panel

Breast is the nectar of the gods and not to bring but I am a level 90 priestess.

omg that's so impressive!! i bet we have so much in common!! (U)

what's ur family like? i do have a sister  
I also have 2 lil' brothers and a sister  
they're cute but they can be so annoying :wew

Exactly!

I love my family and all but when Alex just bursts into my room when I'm in the middle of a hack to make me help her with SQL it just ruins my flow and I can't stand

even bother asking if I used SQL or XSS when I hacked the university!

to check out if they received my email

about

my medical information

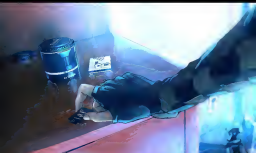

I would never have to shoot for anything unethical like getting a hot intimate photo

lol of course i wouldn't :D a cutie like u would never do anything bad

You understand me so well. I'm so glad we're going to be living together!

misssss! if it's going to be so much fun! u should touch me some of those cool heels

"in bed" :D

You turn my followers into hardware. I can't wait to meet you in real life!

sure! here! my body is ready! :D
